

Wind-n-Sea Spa Summer Specials

Thru September 18, 2010

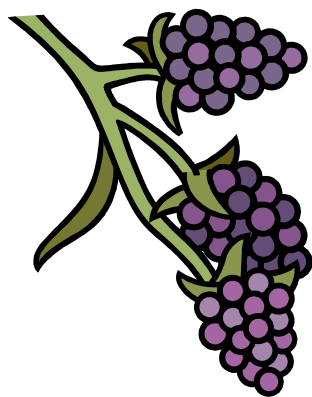

Addicted to your Blackberry?

Our blackberry infused treatments will make you put down the phone and relax! This wonder berry is full of antioxidant rich and vitamin properties have been used for thousands of years to bring health and wellness.

Blackberry Sage Hand & Foot Treatment: A nourishing treatment that begins with Wind-n-Sea's homemade salt scrub using pink salts & blackberry seeds with sweet almond & sesame oil to banish dry, rough skin and leave it feeling fresh & hydrated. A relaxing hand or foot massages eases tension & paraffin locks in hydration while sage stimulates the senses. Complete with grooming & polish. 60 mins \$28/ \$43

Blackberry Chamomille Back Therapy Treatment: A total treatment for the back! Dry brushing increases circulation and an invigorating scrub rids the back of dull, itchy skin and chamomille reduces inflammation. A soothing back massages eases sore muscles along with paraffin application to hydrate the skin. Finish with a scalp massage for complete relaxation. 50 minutes \$47
Add hot stones \$57

Blackberry Chamomille Body Scrub: A full body exfoliation and hydration treatment that reveals glowing skin! Bolivian pink salt moisturizes & balances dry, oily or congested skin, sweet almond oil adds moisture and sesame oil calms the skin. Complete with a Blackberry moisturizing treatment. 50 mins \$49
Add the Ultimate Stress Relief full body massage for only \$44
