

Wind-n-Sea Yoga Policy

We aim to start our classes on time. Please arrive early to allow yourself the time you need to be comfortable and prepared for class at its scheduled start time.

We understand that daily schedules may cause you to miss a class you are scheduled to attend. If you miss a class you have already made payment for we ask that you make-up the class on another class day during the current yoga session. Credits will not be given for missed classes.

If Wind-n-Sea cancels a class we will either schedule a make-up class during the current yoga session or issue a credit to be used for another class. You may also make-up the cancelled class on another class day during the current session.
